

4th NIGERIA ENERGY FORUM

9-10 April, 2019

Upscaling Clean Energy for Sustainable Development

Venue: Admiralty Conference Centre, VI, Lagos, Nigeria

CALL FOR POSTERS

Introduction

The 2019 Nigeria Energy Forum (NEF 2019) is a training and development programme for researchers, industry experts and innovators to engage with key stakeholders in the energy sector, initiate new research collaborations, promote innovative technologies and disseminate high quality research outcomes for sustainable energy development in Nigeria and Africa. NEF 2019 offers a unique opportunity for you to showcase your research or clean energy project to the national and international energy community (please visit: www.thenef.org).

Themes

Topics of interest include, but are not restricted to:

- Renewable Energy Technologies
- Energy Storage Systems
- Energy Access and Efficiency
- Gas & Electricity Markets
- Community Energy Systems
- Power Generation & Transmission
- Distributed Generation & Electrification
- Industry-based Clean Energy Projects
- Energy and Climate Change
- Digital Payment & Smart Metering
- Big Data & Energy Optimization

Special Session for Solar Installers & Clean Energy Project Developers

Case studies of interests are real projects that:

- Provide affordable clean energy solutions and commercial enterprises and households in urban or remote communities.
- Apply data management and innovative analytical tools to facilitate demand response.
- Demonstrate the value of industrial energy efficiency solutions and energy management systems.

Poster Submission Guidelines

You are invited to submit a **completed poster** as it would be displayed if selected. The poster must be related to the conference topics of interests and special sessions. The poster template can be downloaded at www.thenef.org/poster2019. NEF will only accept an electronic submission of your poster manuscript. Please e-mail your submissions in **PDF format** to: bamise@thenef.org.

Authors of accepted posters are expected to register and present their posters at the NEF 2019. The titles of all accepted posters will be published in the NEF 2019 conference proceedings and each presenting author, fully registered for the NEF 2019 will receive a copy. All accepted posters will also be published on the NEF website.

Key Dates

- **March 7, 2019** - Poster Submissions
- **March 15, 2019** - Author Notification with comments
- **March 28, 2019** - Final Copy Due

Registration

All participants **MUST** register via the official conference website at www.thenef.org/register. Please see registration fees shown below. Payments can be made by direct bank transfer to the First Bank Nigeria Plc. account – Name: NIIEE-NEF; Number: 2029851179, or secured payment by card on the official website. **Registration deadline is March 20, 2019**

Energy Research, Innovation & Poster Exhibition

The Energy Research, Innovation & Poster Exhibition at NEF 2019 will be formally opened **on April 9-10, 2019** at the Admiralty Conference Centre, Victoria island, Lagos. To find out about the sponsorship or exhibition opportunities, please contact the Innovation and Strategy Lead, Bamise on +2347011417304 or email: bamise@thenef.org.
